# Life Liberty And The

# Pursuit of Learning #

When the forefathers of our nation first came to this country they met many hardships. The ones who were weak did not survive, but the ones who were strong met the challenge head on. As time passed this country came to be a democracy. The patriots were confronted by a struggle of mind and of body; nevertheless, their will and determination caused them to succeed. Even after freedom was won, there was still a hard uphill climb. We, the students of Liberty, are also faced with a challenge. If we meet this challenge with full force, we will succeed. Therefore, let us now strive to reach our goals through "Life at Liberty and the Pursuit of Learning."

## *Principal*

TO THE CLASS OF 1963:

As you approach your commencement activities, you are no doubt filled with mixed emotions. Many of you have decided on your activities for the next few years and some of you will determine this as you go along.

As you know commencement means to begin and this is just what it is as far as your life is concerned. So often people have the mistaken idea that at the end of a formal education period there is no need for further education. We hope that you will consider that your education is just commencing. True, it may not be the formal education but if you continue to learn it is then that you will be able to enjoy the full life.

In your effort to learn we suggest that you remember that the next few years are formative as to your character and as to the things you will do for a living and in your leisure. It is from youth that ideals, ideas, and adventure have brought progress and helped to make life better. Finally, remember that you must maintain physical health and make a concerted effort to grow intellectually and spiritually.

Sincerely,

Harlan A. Siegesmund, Principal

The class of '63 has had many memorable experiences during their four years of high school, both at work and at play. There isn't a senior who doesn't remember our class parties at the Dunes, our dances, the class tourneys and exams. GAA initiation was fun for both observers and participants. Special shows organized by the faculty helped develop new ideas and widen our scope. Noon time activities provided a short time for relaxation in the seemingly long school day. Everyone was excited when we received our class jackets and rings. The Prom provided that really special dance that every class will remember in their High School Days. We, the class of '63, admit that we have had a very enjoyable and memorable four years.

## *Band*

Last year the band participated in many rewarding activities. In the fall of 1962 the band entered the state marching contest which was held at the State Fair in Indianapolis. Out of 105 bands ours placed in the upper half. During the 1962-1963 school year, the band played a Fall Concert, a Winter Concert, and a Spring Concert. 37 of the 71 entrants in the District Solo and Ensemble Contest received superior ratings. On March 30th the band entered the District Band Contest where it received a superior rating. This entitled the group to enter the State Band Contest. They proudly received a much desired first. On May 18th the band participated in the Great Lakes Promenade, a marching contest. Mary Martin and John Stockwell were chosen to participate in the State All-Star Band. It was a very high honor for both of them and the school. John Stockwell also qualified to enter the State Solo Contest. He returned with a superior rating. Last year's band officers were as follows: Mary Martin, President; Bradley Cristy, Vice President; Bonnie Hogan, Secretary; Marge Blevins, Student Council Representative; Tom Stockwell, Librarian; John Stockwell, Property Manager.

## *Chorus*

Under the direction of Mr. Albert Castronovo, the chorus has been especially active this year. In the fall the music department sold "World's Finest" chocolate for music funds. The group presented a Christmas Concert and prepared for the solo and ensemble contest in February. The group then practiced for choral contest which took place in March. After attaining a second at district contest, the chorus presented the musical comedy "On With The Show."

The Stage Band also helps to widen the musical background of each student.

## *Cross Country*

Back row: Mr. Smith, Coach; Bob Hurst, Jack Martin, Dana Martin, Ed Stockwell, Danny Spencer. 2nd row: Richard Oman, Dave Slewert, Tom Labney, Denny Capris, Larry Miles, Everett Borders. 1st row: Dave Heller, Leonard Shaw, Frank Erwin, Bob Fletcher, Bill Donley, Jim Troup.

The cross country season starts about a month before school when the team meets (for training) once or twice a week. At this time the boys run on a golf course for a distance which varies from four miles in a light practice to eight miles in the usual workout. The groans and complaints during practice turn to cheers when having a good team proves to be the outcome of the long hours of practice. Last year the boys worked to try to maintain the excellent standard that was set by Liberty boys in the previous year.

## *Varsity Baseball*

Bottom row: Leonard Shaw, Frank Irwin, Tim Bowgren, Tom Manning, Jeff Matanich, Paul Gilmore, Dorian Gaines, Russell Shinabarger. 2nd row: Tom Tharp, Bill Morgan, Warren Kearmerer, Craig Brooks, Dave Siewert, Herb Siewert, Duane Campbell, Elmer Berndt. 3rd row: Doug Lang, Dana Martin, Jack Martin, Doug Morthland, Duane Conrick, Phil Johnson, Mike Marcinkowski, Bob Hurst, Pat Babcock, Coach, Mel Edgerton.

As each school year begins there is a distinct cry heard in the distant field "Play Ball." That's what our Lions did this year. Compiling a 5 and 2 record in the conference which was good enough for a second place.

The Junior Varsity of a high school is considered the training team. It builds our athletes to the peak of physical and mental alertness. When one reaches this stage of development he can then move up to the varsity. This year under the coaching of Mr. Smith our team achieved a 7-13 season.

Throughout the last few years, Coach Smith has encouraged the boys to "run, run, and run." This strategy has paid off in the end. The Lions have really given him their best in the last three years, coming up with some really great track teams.
